

Dear Colleague,

Thank you for taking the time to access the briefing material contained within this microsite, and for your interest in our leadership position, General Manager of The Geelong Clinic. We have engaged with Alumni to partner with us on a number of critical leadership position nationally, including this exceptional General Manager opportunity in Geelong, Victoria.

In this microsite you will find the Position Description illustrating the key criteria, experience, and knowledge we are seeking from successful candidates for this position. The Geelong Clinic, established in 1998, is a 73-bed private mental health facility that proudly provides a range of mental healthcare for the residents of Greater Geelong.

The General Manager will play a key role in steering the clinic's growth and maintaining its commitment to excellence in patient care. You will be working in partnership with senior leadership, orchestrating strategic directions for our multidisciplinary teams. Your leadership skills will be fundamental in fostering an efficient, collaborative, and harmonious team environment.

Your responsibility will include providing leadership and commercial direction, while assuming responsibility for all aspects of hospital management, including strategy, clinical, quality, people, safety, and end to end financial performance. This is a fantastic opportunity for driven candidates with a demonstrable track record of success in a similarly complex leadership role, to further progress and open-up an exciting new career pathway. In this role, you will be at the forefront of ensuring that our services not only meet but exceed the expectations of our community.

At The Geelong Clinic, we value individuality and embrace people with differing experiences, knowledge, and skills. We are committed to providing a structured induction, orientation, and opportunities for ongoing training and professional development. Our inclusive and diverse workplaces welcome all patients, staff, and visitors, irrespective of ethnicity, religion, age, gender identity, or sexuality.

Joining Healthscope means becoming part of Australia's leading hospital provider, an organisation with an ambitious growth and development agenda. With a network of 42 hospitals serving every state and territory, our people are recognised for their dedication to achieving exceptional clinical outcomes, maintaining transparent public reporting, and securing positive patient feedback that leads the industry.

We look forward to receiving your application and the possibility of you joining our dedicated team.

Yours sincerely,

Steven Bernardi
